### Section A: Data Response [25 marks]

Answer all questions in this section.

- 1 Read the passage below and answer the questions that follow.

#### SALIM PRIVATE LIMITED COMPANY

Salim Private Limited Company is a Mutare based company, which produces and sells flowers locally and regionally. The flowers that the company produces are Roses and Jurantas.

In a bid to boost its stock turnover, Salim Private Limited sells some of the flowers on credit to the company's well known customers.

The flower business has been growing in size and new branches have been opened in Mutare, Harare and South Africa. As a result, Salim Private Limited company employed Chris, an Accountant to assist in the preparation of financial statements required for decision making.

Salim Private Limited Company is considering eliminating one of the flower varieties to remain with one variety as it seeks to downsize its operation. The move will help to reduce operational costs.

To make the decision, Chris, the Accountant intends to use decision trees and relevant accounting information available.

Below is a table of figures availed to Chris for use in the preparation of a set of accounts that may be required for decision making.

Summary of figures for the year ended 31 December 2020.

Flower varieties	Roses	Jurantas
Currency	\$	\$
Sales: Cash	9 000	3 600
Credit	4 500	1 800
Debtors	300	250
Average stock	300	350
