Section A: Data response [25 marks]

- 1 Read the passage below and answer **all** the questions that follow.

CT Ltd

CT Limited is a cosmetic manufacturing company in Zimbabwe which commenced operations in March 2016. The company's head office is in Bulawayo and its branches are in Mutare and Harare. It manufactures a variety of products which ranges from perfumes, lotions, hair products to different soaps. In the year 2020, CT board of directors appointed a new managing director, Tapson, with the objective of increasing profits in an unstable economic environment.

In order to achieve the objective set, Tapson proposed the following three strategies:

1. opening new manufacturing branches in Botswana,
2. reviewing its product portfolio,
3. decentralising control.

Below is an extract of financial information for CT Limited.

Current Income Statement

	\$
Sales	500 000
Cost of sales	200 000
Gross Profit	300 000
General Expenses	120 000
Net Profit	180 000

If the mentioned strategies are implemented, sales are expected to increase by 40% and expenses are to decrease by \$ 20 000. The Director intends to raise additional capital to finance the implementation of the proposed strategies.

- (a) Define the following terms as they are used in the passage:

- (i) decentralising control, [3]
- (ii) product portfolio.. [3]

- (b) Calculate the following after implementing the strategies;

- (i) Gross Profit, [2]
- (ii) Net Profit. [2]

- (c) Comment on the possible causes of changes in profit. [5]
- (d) Discuss the factors that can be considered by CT Ltd when choosing the source of finance. [10]
